## **2013 OBJECTIVES & GOALS**

### **1. Continue to make plans and support the sesquicentennial commemoration.**

A reenactment and living history will be presented for the 150<sup>th</sup> anniversary in June 2014 of the Battle of Staunton River Bridge. The reenactment is being organized by the 1<sup>st</sup> Division of the Army of Northern Virginia. The living history will include historical organizations from Halifax, Charlotte, and Mecklenburg counties. By coordinating with other groups, the Foundation will become more visible, grow stronger, and increase membership.

### **2. Create a database of battle participants, both confederate and union.**

Many “old men and young boys” from the surrounding counties participated in the Battle of Staunton River Bridge. Some of these soldiers remained at the bridge to guard against other possible attacks while other returned home. The union soldiers retreated after several unsuccessful attempts of destroying the bridge. Creating the database of all participants would allow a complete story to be told.

### **3. Continue efforts to raise money for the Overseer’s Fund.**

This fund was established in December 2009 to raise money to renovate the Overseer’s Quarters at Mulberry Hill. The amount of \$80,000 is needed for the project. Ways of making the public aware of the project are being done through the use of the internet and special events.

### **4. Continue process of acquiring land and historical artifacts.**

Artifacts and collectibles pertaining to the Battle, Mulberry Hill, the Carrington family, the Sappony Indian Nation, and other aspects of the Foundation’s mission will help preserve, develop, and preserve the rich history and heritage of the area. By owning property, the Foundation will be able to construct a building to have an office and for storage space. The property can also be utilized for social events.

### **5. Create a memorial garden.**

Many people have contributed to the success of the Foundation and to the establishment of Staunton River Battlefield State Park. A memorial garden would recognize these special people for their efforts.
